

An Illustrated Tour of London Cityscape from the 1920s to the Present Day

London is a city that is constantly evolving. Its skyline is ever-changing, as new buildings are constructed and old ones are demolished. But despite all the changes, London has retained its unique character. It is a city that is both historic and modern, traditional and cosmopolitan.

Modern London: An illustrated tour of London's cityscape from the 1920s to the present day

This book takes you on an illustrated tour of London's cityscape from the 1920s to the present day. You will see how the city has changed and grown over the past century, with stunning images and informative text.

The book is divided into four chapters, each covering a different period in London's history:

- The 1920s: The Roaring Twenties

- The 1930s: The Great Depression and the Second World War
- The 1950s: The Post-War Boom
- The 1960s to the Present Day: The Swinging Sixties, the Thatcher Years, and the New Millennium

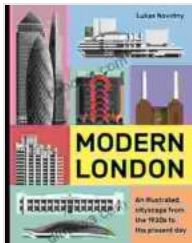

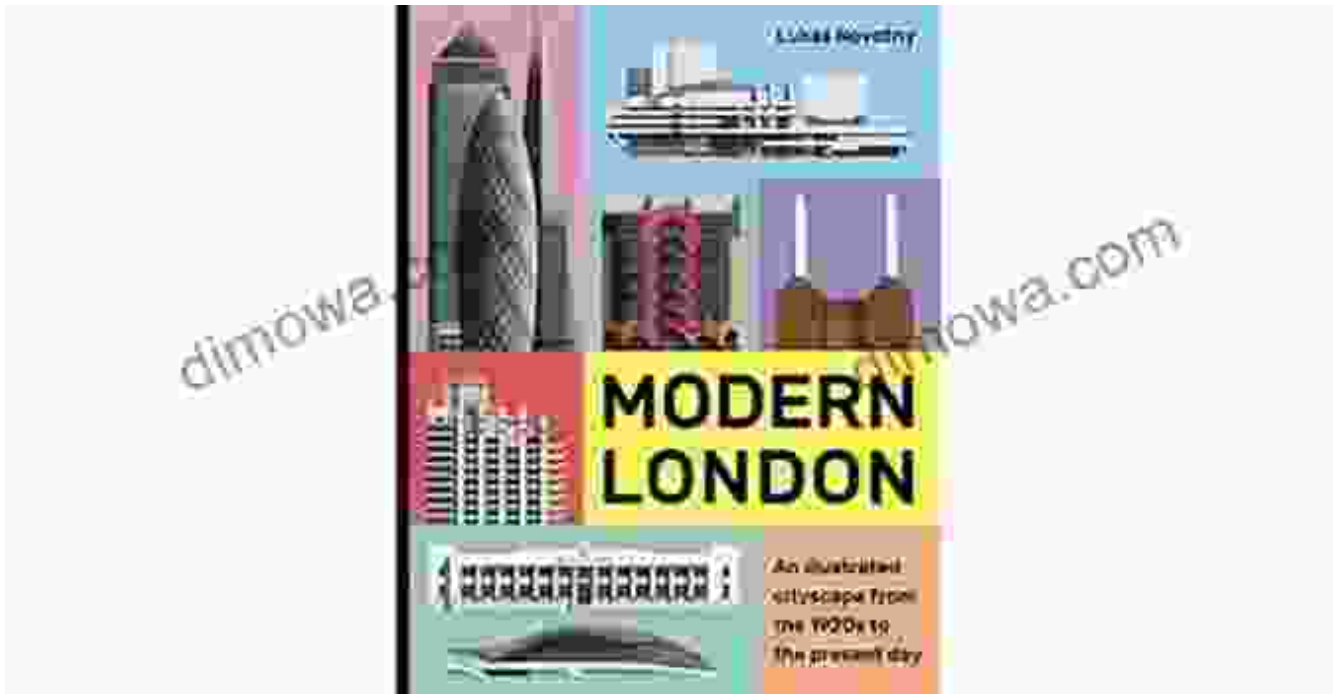

Each chapter features a selection of stunning images that capture the spirit of the time. You will see photographs of iconic buildings, such as the Houses of Parliament and the Tower of London, as well as images of everyday life in London.

The book also includes informative text that provides historical context for the images. You will learn about the major events that have shaped London's cityscape, from the Great Fire of London to the Second World War.

Whether you are a Londoner or just a visitor, this book is a must-have. It is a beautiful and informative guide to the city's ever-changing skyline.
