Bear Beloved is the second book in the Hunters Creek Archangel Warriors MC series by bestselling author Sierra Simone. It's a standalone romance novel featuring a strong and independent heroine and a possessive and alpha hero.

The story follows the journey of Anya, a young woman who has been through her fair share of trauma. She's trying to rebuild her life when she meets Bear, a member of the Hunters Creek Archangel Warriors MC. Bear is everything Anya isn't: strong, confident, and protective. He's also a possessive alpha male who knows what he wants and isn't afraid to go after it.

Anya and Bear's relationship is a slow burn, but it's also incredibly passionate. They challenge each other, support each other, and ultimately fall deeply in love. Bear Beloved is a story about second chances, finding love in unexpected places, and the power of forgiveness.
