A Journey of Discovery

From the bustling streets of Havana to the serene beaches of Varadero, each email in this collection captures a unique facet of Cuba's charm. I'll take you on a vibrant exploration of Havana, immersing you in its colonial architecture, lively music, and electric atmosphere. Together, we'll uncover the secrets of Santiago de Cuba, where the rhythm of salsa fills the streets and the spirit of the revolution lingers. In the colonial town of Trinidad, we'll

step back in time, surrounded by cobblestone streets and colorful buildings that whisper stories of Cuba's rich past.

But Cuba is more than just its cities. I'll guide you through the lush landscapes of the Viñales Valley, where towering limestone formations, known as mogotes, rise majestically. We'll venture into the rainforests of Topes de Collantes, where waterfalls cascade through verdant hillsides and the air is alive with the sounds of exotic birds. And on the white-sand beaches of Cayo Coco, we'll soak up the sun, snorkel in crystal-clear waters, and revel in the tranquility of this tropical paradise.

Beyond the Tourist Trail

"Cuba Emails: Still My Happy Place" is not just a travelogue; it's an invitation to delve deeper into the heart of Cuban culture. I'll introduce you to the warm and welcoming people of Cuba, sharing their stories, traditions, and dreams.
