With a keen eye for detail and a fearless spirit, Neil recounts his intimate encounters with magnificent leopards, majestic lions, and awe-inspiring elephants. His vivid descriptions transport readers to the heart of the African bush, where the sounds of nature and the scents of the wild ignite the senses.

'Leopards On My Tail' is not just a collection of wildlife encounters but a testament to the indomitable spirit of adventure. Neil's passion for nature and his unyielding determination shine through every page, inspiring readers to embrace their own sense of wonder and curiosity.

About the Author

Neil Denham is an award-winning wildlife photographer and conservationist who has spent decades capturing the beauty and fragility of Africa's wildlife.

His work has been featured in numerous publications, including National Geographic, BBC Wildlife, and Smithsonian Magazine.

Neil's passion for wildlife conservation drives his photography, inspiring him to raise awareness about the threats facing Africa's iconic species and habitats. Through his work, he hopes to ignite a sense of urgency and inspire action to protect the natural world.

Reviews

"'Leopards On My Tail' is a captivating read that will transport you to the heart of Africa's untamed wilderness. Neil Denham's vivid descriptions and stunning photography bring the animals and landscapes to life, offering readers a unique and unforgettable glimpse into this extraordinary continent." - Jane Goodall, renowned primatologist

"Neil Denham is a true master of wildlife photography. His ability to capture the essence of these magnificent creatures and the untamed African wilderness is truly remarkable. 'Leopards On My Tail' is a must-read for anyone who loves wildlife, photography, or adventure." - Steve Winter, National Geographic photographer
