Meet Emily, a tomboy who's always been more interested in sports than boys. But when her ex-boyfriend, Tom, comes out as transgender, Emily finds herself questioning everything she thought she knew about love.

Tom is everything Emily ever wanted in a boyfriend: he's funny, smart, and kind. But now that he's come out, Emily isn't sure if she can still see him the same way.

As Emily and Tom navigate their new relationship, they learn that love is more than just about physical attraction. It's about accepting someone for who they are, inside and out.

Offsides with My Ex-Boyfriend is a hilarious and heartwarming novel about love, acceptance, and finding yourself. It's a story that will stay with you

long after you finish reading it.
