Spring

As the days grow longer and the temperature rises, the village comes alive with the sights and sounds of spring. The trees burst into bloom, filling the air with a sweet fragrance. The meadows are awash with wildflowers, and the birdsong fills the air. This is the perfect time of year to enjoy a leisurely

walk in the countryside. Our first walk takes you through the ancient woodland of Ashdown Forest, where you'll see bluebells carpeting the ground beneath the trees.

Summer

Summer is a time for long, lazy days spent outdoors. The village green is a hive of activity, with children playing cricket and people enjoying picnics. The local pub garden is the perfect place to relax with a pint of beer and watch the world go by. Our second walk takes you along the River Thames, where you can enjoy stunning views of the countryside. You'll pass by quaint villages and historic churches, and you may even see a kingfisher darting across the river.

Autumn

As the days grow shorter and the nights draw in, the village takes on a more subdued atmosphere. The leaves on the trees turn golden brown, and the air is filled with the smell of burning wood. This is the perfect time of year to go for a walk in the woods and enjoy the peace and tranquility of nature. Our third walk takes you through the ancient beech woods of the Chiltern Hills. You'll see towering trees and carpets of fallen leaves, and you may even be lucky enough to spot a deer.

Winter

Winter is a time of year when the village slows down and takes on a more relaxed pace of life. The snow glistens on the rooftops, and the air is crisp and cold. This is the perfect time of year to curl up by the fire with a good book or enjoy a traditional Christmas dinner in the local pub. Our fourth walk takes you through the snow-covered fields of the South Downs. You'll see stunning views of the countryside, and you may even see a hare running across the fields.
