A Haunting and Immersive Story

There There is a haunting and immersive novel that draws readers into the lives of its characters from the very first page. Orange's writing is lyrical and evocative, and he paints a vivid picture of the urban Indian experience in Oakland. The novel's twelve characters are all complex and well-developed, and their stories are both heartbreaking and inspiring.

The novel follows the characters as they prepare for a powwow that is being held in the city. The powwow is a major event for the Native American community, and it is a time for celebration and renewal. However, the novel also explores the darker side of life in Oakland, and the characters must confront their own personal demons as well as the challenges of living in a society that often marginalizes them.
