### Synopsis:

In the aftermath of a catastrophic meteor strike that has shattered the Earth, a sinister virus known as "Lazarus" begins to spread uncontrollably. With lightning speed, it transforms ordinary people into ravenous zombies, their only instinct being the insatiable need to consume the living.

As the world succumbs to chaos and despair, a lone group of survivors emerges. Led by the resourceful Alex and the enigmatic Dr. Emily Carter, they embark on a perilous journey to find a cure and save what's left of civilization. But every step they take is fraught with danger.

Hordes of undead roam the desolate streets, their putrid stench filling the air. The survivors must fight for every precious moment, their wits and courage tested to their limits. Along the way, they encounter desperate

survivors, treacherous scavengers, and a sinister organization with its own twisted agenda.

As the undead uprising intensifies, the survivors are faced with a moral dilemma. Do they prioritize their own survival or risk everything to find a cure that could potentially save humanity? Amidst the carnage and desperation, they must make life-altering decisions that will shape the fate of the living.

### **About the Author:**

Steven Moore is an acclaimed author renowned for his thrilling and thought-provoking novels. With a keen eye for detail and an unparalleled ability to craft gripping storylines, he weaves tales that keep readers on the edge of their seats. His previous works have received numerous accolades and have been translated into multiple languages.
