# I Shouldn't Tell You This

## **Trolling Tips The Pros Don't Want You to Know**

**by Ancient Mariner**

### **Discover the Art of Trolling: A Journey Through Time**

From the depths of antiquity to the modern era, trolling has captivated anglers worldwide. It's a technique that requires patience, skill, and a deep understanding of fish behavior. In 'Trolling Tips The Pros Don't Want You To Know: Fishing Tips From The Ancient', renowned angler and historian Jack Carter unveils the secrets of this enigmatic art.

Drawing from ancient texts, oral traditions, and the wisdom of master fishermen, Carter delves into the history of trolling. He explores the origins of trolling gear, the evolution of trolling techniques, and the cultural significance of trolling in different societies.

### **Master the Techniques: Uncover the Secrets of the Pros**

Beyond the historical insights, Carter provides a comprehensive guide to trolling techniques. He shares his knowledge on:

- Equipment selection: choosing the right rods, reels, line, and lures
- Boat positioning: understanding boat placement and drift patterns
- Trolling speed: optimizing speed for different species and conditions
- Lure presentation: creating lifelike movements and attracting strikes
- Targeting specific species: mastering the nuances of trolling for salmon, trout, walleye, and more

Carter's meticulous explanations are accompanied by vivid illustrations and practical examples. You'll learn how to read the water, anticipate fish movements, and adjust your tactics accordingly. Whether you're a seasoned pro or a novice angler, you'll find valuable insights and techniques to enhance your trolling skills.

### **The Wisdom of Ancient Anglers: Time-Tested Secrets**

What sets this book apart is its unique exploration of ancient fishing practices. Carter weaves together historical anecdotes, traditional wisdom, and modern scientific principles to create a tapestry of knowledge. He reveals:

- Indigenous techniques: unlocking the secrets of native American and Inuit trolling methods
- Medieval innovations: examining the advancements in trolling gear and tactics during the Middle Ages
- Early European explorers: tracing the influence of European explorers on trolling practices in North America
- Folklore and superstition: understanding the cultural beliefs and legends surrounding trolling

By connecting the past with the present, Carter provides a deeper appreciation for the art of trolling. You'll discover how ancient wisdom can inform modern techniques and enhance your fishing success.

### **The Hunt for the Ultimate Catch: A Guide to Trophy Fish**

For the adventurous angler, Carter dedicates a chapter to the pursuit of trophy fish. He shares his strategies for targeting elusive species, including:

- Giant tuna: conquering the oceans' apex predators
- Marlin and sailfish: mastering the art of big game trolling
- Lake trout and pike: unlocking the secrets of deep-water giants
- Muskellunge and northern pike: tackling the apex predators of inland waters

Carter's firsthand accounts and expert advice will inspire you to embark on unforgettable fishing adventures.
